

The Role of the Radiologist in the Multidisciplinary Management of Bronchiectasis

Date: November 9, 2023

Time: 5:30 PST

LEARNERS REGISTER FOR THE MEETING [HERE](#)

Meeting ID 991 8305 5439

TARGET AUDIENCE

This educational activity is intended for radiologists who are responsible for the diagnosis of non-cystic fibrosis bronchiectasis (NCFBE) and the ongoing care coordination of these patients across the multidisciplinary care team.

PROGRAM OVERVIEW

This live activity will focus on improving the abilities of radiologists to perform differential diagnoses associated with bronchiectasis based on high-resolution computed tomography (HRCT) review and improving awareness of the optimal role of the radiologist in multidisciplinary care coordination for bronchiectasis.

LEARNING OBJECTIVES

Upon completion of this course, the learners should be able to:

- Differentiate various forms of bronchiectasis via high-resolution computed tomography (HRCT)
- Determine the optimal role of the radiologist in the multidisciplinary care coordination of patients with non-cystic fibrosis bronchiectasis (NCFBE)

FACULTY

Jubal Watts, MD
Assistant Professor, Cardiopulmonary Imaging Section
VAMC
Department of Radiology Heersink School of Medicine
University of Alabama at Birmingham
Birmingham, AL

PLANNING COMMITTEE

Patrick Flume, MD
Endowed Chair, Powers-Huggins Endowed Chair for Cystic Fibrosis
Professor of Medicine
Medical University of South Carolina
Charleston, SC

Mary M. Salvatore, MD, MBA
Associate Professor of Radiology
Columbia University Irving Medical Center

New York, NY

Patrick Harty, PhD
Medical Director
The France Foundation
Old Lyme, CT

INSTRUCTIONS FOR PARTICIPATION AND REQUESTING CREDIT

There are no fees for participating and receiving credit for this activity. Successful completion is achieved by reviewing the CE information, completing the activity, and completing the post-test and evaluation form.

Credit fulfillment

- If you are requesting AMA credits or a certificate of participation, your certificate will be available for download

ACCREDITED PROVIDER

This activity is provided by The France Foundation.

Accreditation Statement

In support of improving patient care, The France Foundation is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

PHYSICIAN CREDIT DESIGNATION

The France Foundation designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY

In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, The France Foundation (TFF) requires that individuals in a position to control the content of an educational activity disclose all relevant financial relationships with any commercial entity. TFF resolves all conflicts of interest to ensure independence, objectivity, balance, and scientific rigor in all its educational programs. Furthermore, TFF seeks to verify that all scientific research referred to, reported, or used in a CME/CE activity conforms to the generally accepted standards of experimental design, data collection, and analysis. TFF is committed to providing learners with high-quality CME/CE activities that promote improvements in health care and not those of a commercial interest.

Planning committee members, faculty, reviewers, and activity staff have disclosed the following relevant financial relationships. All relevant financial relationships listed have been mitigated.

Name of Individual	Role in Activity	Name of Commercial Interest(s)	Nature of Relationship(s)	Mechanism(s) implemented to resolve conflict of interest

Disclosure of Unlabeled Use:

TFF requires CME faculty (speakers) to disclose when products or procedures being discussed are off label, unlabeled, experimental and/or investigational, and any limitations on the information that is presented, such as data that are preliminary, or that represent ongoing research, interim analyses, and/or unsupported opinion. Faculty in this activity may discuss information about pharmaceutical agents that is outside of US Food and Drug Administration approved labeling. This information is intended solely for continuing medical education and is not intended to promote off-label use of these medications. TFF does not recommend the use of any agent outside of the labeled indications. If you have questions, contact the Medical Affairs Department of the manufacturer for the most recent prescribing information.

COMMERCIAL SUPPORT ACKNOWLEDGMENT

This activity is supported by an independent medical educational grant from Insmmed.

Disclaimer

The France Foundation presents this information for educational purposes only. The content is provided solely by faculty who have been selected because of recognized expertise in their field. Participants have the professional responsibility to ensure that products are prescribed and used appropriately on the basis of their own clinical judgment and accepted standards of care. The France Foundation and the commercial supporter(s) assume no liability for the information herein.

PRIVACY POLICY

The France Foundation protects the privacy of personal and other information regarding participants and educational collaborators. The France Foundation will not release personally identifiable information to a third party without the individual's consent, except when such information is required for reporting purposes to the ACCME.

The France Foundation maintains physical, electronic, and procedural safeguards that comply with federal regulations to protect against the loss, misuse, or alteration of information that we have collected from you.
